

## Spartan Athletics Center Planned Giving Information

### Make an Impact Now Through a Planned Gift

You can make an immediate impact on Spartan Athletics by including a gift for the Spartan Athletics Center in your will or living trust. This can be effective when coupled with or as an alternative to a cash gift.

- Your gift will help provide championship level facilities needed to consistently compete in the Mountain West Conference
- Your gift will be utilized for building costs, deferred maintenance, and or future upgrades of the Spartan Athletics Center
- Be enabled to make a greater contribution than you ever thought possible

### Leave a Lasting Legacy – Naming Opportunities

By making an irrevocable planned gift, you will have the opportunity to name an area within the Spartan Athletics Center in perpetuity. You may leave the legacy in your name or honor a loved one that will be recognized by Spartans for generations to come.

***Note:** In order to take advantage of a naming opportunity, the planned gift must be irrevocable and stated as such in your will or living trust.*

### Legacy Societies at San José State University

By making a planned gift, you become a part of two distinguished groups honored for sharing their legacies to benefit current student-athletes and future Spartans.

- *One Spartan Nation Legacy Society* – A dedicated group of alumni and friends receiving authentic interaction with Spartan Athletics throughout the year
- *The Heritage Society* – A distinguished group of San José State planned gift supporters honored in University publications and at the annual lunch and reception

### Sample Language for Your Trust

"I give to the Tower Foundation of San José State University, a not for profit corporation currently located at University Advancement, One Washington Square, San Jose, CA 95192, or its successor thereto, \_\_\_\_\_\* [written amount or percentage of the estate or description of property] for use to support the Spartan Athletics Center."
